## Abstract

This is a minimal abstract for an ArXiv submission.

## 1 Introduction

This is a simple introduction with inline math  $E = mc^2$  and display math:

$$\sin^2(\alpha) + \cos^2(\beta) = 1. \quad (1)$$

## 2 Main Content

A simple equation:

$$\sqrt{a} \cdot \sqrt{b} = \sqrt{ab}. \quad (2)$$

A reference to a figure (Fig. 1) and a table (Table 1).
